- Adaptive cruise control with speed limiter
- Forward collision warning with automatic braking
- Driver Alert System: Tiredness recognition
- Lane assist
- Dynamic road sign display

CHARGING

- Mode 3 charging cable 32A

INFORMATION AT YOUR FINGERTIPS VIA THE 5.3" DIGITAL COCKPIT AND 12.9" CENTRAL DISPLAY INFOTAINMENT SYSTEM

The CUPRA CONNECT services can be operated only by using available public communication technologies. Please note that due to development of these technologies, especially mobile networks, CUPRA cannot guarantee consistent availability in all countries for the duration of CUPRA CONNECT services. Possible changes in technology may cause permanent unavailability of them. *All prices shown are MDP (Manufacturer's Direct Price), inclusive of VAT. Sold by CUPRA UK, a trading division of Volkswagen Group United Kingdom Limited. MDP includes: delivery to Agent, number plates, new vehicle registration fee, the first year's Vehicle Excise Duty and VAT (calculated at 20%). CUPRA UK may change the MDP at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any MDP prices displaying correctly on our materials.

CONNECTED BEYOND THE PHYSICAL

FORGOT WHERE YOU'VE PARKED?

Simply open the MyCUPRA app and you will be able to easily locate your vehicle in cities or large parking areas.

The GPS coordinates will give you the exact address and you are then able to navigate to it through the easy to use map.

IS MY CAR SECURE?

For those moments when you're unsure if you've locked your car.

Through the MyCUPRA app, authorised users can see and control the lock status of the doors and boot.

DETERMINE YOUR IDEAL TEMPERATURE

On those cold winter mornings, you'll no longer need to sit in your car while you wait for it to warm up and defrost.

With its remote temperature control, you can program the perfect temperature you want when sitting at the wheel, defrosting the windows in the process*.

WHEN IS MY SERVICE DUE?

You have enough things in your head to have to remember your next car service.

Activate automatic service scheduling and your chosen authorised service partner will contact you as soon as your vehicle detects the need of a service (inspection or relevant warning light).

*Feature only available on e-HYBRID and fully electric models.

TAKE YOUR CONNECTIVITY TO THE MAX

Just download the MyCUPRA app, create an account with your personal data and introduce the chassis number of your car located on the left side of the windscreen. In only a few minutes, you will have your CUPRA in the palm of your hand.

ENROL YOUR CUPRA TO CONNECT

DOWNLOAD MYCUPRA APP

Notes: Some features may vary depending on the vehicle's configuration and equipment.

If you have any questions, you can call us free of charge at **00800 6000 4020** or write to us at **cupradigitalsupport@cupraofficial.com** or **cupra-id-support@cupraofficial.com**

CUPRA CONNECT

Get the most out of your new CUPRA by downloading the MyCUPRA app. CUPRA CONNECT's innovative services and functions connect you with your CUPRA and the world. The app lets you connect your phone to your CUPRA and allows you to seamlessly access crucial driving data and information about your vehicle. For instance, you can check if all your car's doors are locked from wherever you are, or you can see exactly where you've parked your CUPRA.

CUPRA CONNECT offers a wide range of safety and comfort functionalities that enhance your experience in and out of your CUPRA. The standard CUPRA CONNECT services are available free for 10 years to all CUPRA owners, whilst CONNECT Plus can be accessed via a free trial for an initial three years. Both services can be renewed after their respective trial periods.

CUPRA CONNECT

FREE FOR 10 YEARS

Standard CUPRA CONNECT enables access to multiple features and benefits including:

VEHICLE STATUS

- Driving Data
- Vehicle Health Report

COMFORT

- Parking Position
- Personalisation

REMOTE AND CONTROL

- Horn and Turn Signals
- Anti-theft Alert
- Remote Lock and Unlock
- Remote Auxiliary Heater

STREAMING

- Internet Radio

SAFE AND SECURE

- Service Scheduling
- Customer Care
- Breakdown Call

NAVIGATION

- Online POI Search
- Online Destination Import
- Online Route Impact
- Online Maps Update

CUPRA BORN

- e-Manager
- Departure Times
- Remote Battery Charge
- Battery Care Mode
- Remote Climatisation

CUPRA CONNECT PLUS

THREE YEARS FREE TRIAL

- Online Traffic Information
- Local Hazard Information
- Online Route Calculation
- Dynamic POIs (Petrol + Charging + Parking Information)

Please note: The availability of CUPRA CONNECT services may vary depending on your vehicle and vehicle equipment.

*BIK value is based on WLTP CO₂ and applicable from 27/02/2024.

All prices shown are MDP (Manufacturer's Direct Price), inclusive of VAT. Sold by CUPRA UK, a trading division of Volkswagen Group United Kingdom Limited. MDP includes: delivery to Agent, number plates, new vehicle registration fee, the first year's Vehicle Excise Duty and VAT (calculated at 20%). CUPRA UK may change the MDP at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any MDP prices displaying correctly on our materials. Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 27/02/2024. Figures quoted are for a range of configurations and are subject to change due to ongoing approvals/changes.

e-BOOST

WHAT IS e-BOOST?

With e-Boost, you'll have a surge of extra power available whenever you need it. By ramping up the already phenomenal output of the CUPRA Born, it gives you a burst of adrenaline-charged performance.

HOW DO I ACTIVATE e-BOOST?

Whenever the impulse takes you, press the satellite button on the right of your steering wheel to unleash an extra 20kW of electrifying power – or choose the e-Boost option in your CUPRA Drive Profile menu. Better yet, simply 'kick down' on the accelerator to trigger e-Boost in the purest, most dynamic way.

WHAT'S INCLUDED WITH e-BOOST?

The e-Boost package includes our CUPRA steering wheel with satellite buttons, designed to put unbridled performance at your fingertips. Just as importantly, it comes with enhanced front brake discs – capable of reining in all that incredible power.

RANGE

Up to 348 miles (combined weighted electrical range-WLTP)*

CHARGE

5-80%:
– 7.5 hours wallbox
< 1hr rapid charge at public charging station*

SPEED

0-62mph = 7.1 seconds*

*Based on CUPRA Born V3 77kWh 230PS.
For further charging information refer to technical information pages.

CHARGING AT HOME AND ON THE GO

CHARGING AT HOME

Charging your new CUPRA Born at home is likely to become part of your everyday routine, so we've made it simple.

There are two options for home charging, either via a traditional three-pin plug or a specially installed wallbox (the Mode 3 DC cable is standard equipment). Ohme is CUPRA's recommended supplier to install a wallbox at your home and guide you through the complete home charging journey. Ohme have a range of chargers with features such as smart scheduling to charge your CUPRA when the electricity rates are at their lowest.

KNOW YOUR POWER SUPPLIES

AC – Alternating Current
DC – Direct Current

WHY DO WE RECOMMEND A WALLBOX IS INSTALLED TO CHARGE YOUR CUPRA BORN?

While a three-pin socket can charge your new CUPRA Born at home, a home wallbox is recommended due to the high energy demands and the significantly faster charge time. A 7.2kW wallbox can charge your CUPRA Born three times faster than with a three-pin plug. A home wallbox installed by an accredited installer like Ohme ensures that your car receives a full night of uninterrupted fast charge.

CHARGING ON THE GO

While you're out on the road, you can choose from a number of public charging points to top up your new CUPRA Born. Zapmap is a great website (zap-map.com) to locate suitable chargers across the UK.

COMBINED CHARGING SYSTEM (CCS)

AC and DC rapid charging is available at most public charging stations. Rapid chargers are the fastest way to charge an EV vehicle and often found in motorway services or in locations close to main roads. The CUPRA Born is equipped with CCS, which supplies high power direct or alternating current (DC/AC) to charge a battery to 80% quickly.

REGENERATIVE BRAKING

This is the recovery of energy usually lost when braking. CUPRA Born optimises braking energy to prolong its battery life and not reduce your range.

VEHICLE EXCISE DUTY

All new vehicles are subject to a form of Vehicle Excise Duty (VED) based on the type of fuel the vehicle uses and its carbon dioxide (CO₂) emission level, measured in grams per kilometre (g/km). The table illustrates the duty you will pay based on the DVLA bandings.

The standard rate for Petrol and Diesel is £190 and £180 for Alternative Fuel Vehicles. Please be aware vehicles priced in excess of £40,000 (when combining the MDP (Manufacturer's Direct Price) (incl. VAT) and any additional options you select) will incur an additional £410 a year in vehicle tax for Petrol and Diesel cars, and £410 for Alternative Fuel Cars.

For full details please refer to gov.uk/vehicle-tax-rate-tables

12-MONTH ROAD FUND LICENCE (RFL) RATE FOR PETROL, DIESEL AND ALTERNATIVE FUEL VEHICLES

CO ₂ g/km	1ST YEAR RATE PETROL/DIESEL	1ST YEAR RATE ALTERNATIVE FUEL VEHICLES (AFVs)
0	£0	£0
1	£10	£0
51	£30	£20
76	£135	£125
91	£175	£165
101	£195	£185
111	£220	£210
131	£270	£260
151	£680	£670
171	£1,095	£1,085
191	£1,650	£1,640
226	£2,340	£2,330
256	£2,745	£2,735

CARS REGISTERED ON OR AFTER 1 APRIL 2024

BENEFIT IN KIND TAX

HOW TO CALCULATE YOUR LIABILITY

The BIK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2024/25.

BIK CALCULATION EXAMPLE: CUPRA BORN V1 59 kWh 230PS

P11D value (Manufacturer's Direct Price price less RFL and first registration fee)	£35,440.00
--	------------

WLTP CO ₂ emissions (g/km)	0
---------------------------------------	---

Company car BIK tax based on CO ₂ emission level	2%
---	----

Taxable BIK (for 2024/25 tax year): 2% of £35,440.00	£708.80
---	---------

ANNUAL COMPANY CAR TAX 2024/25 (@20% INCOME TAX)

20% of £708.80	£141.76 per annum
----------------	-------------------

MONTHLY COMPANY CAR TAX 2024/25 (@20% INCOME TAX)

£141.76 divided by 12	£11.81 per month
-----------------------	------------------

BATTERY

	59 kWh 230PS (V1, V2, V3)	77 kWh 230PS (V3)	79 kWh 326PS (VZ)
Type (cylinders / valves per cylinder)	Permanent magnet synchronous electric motor	Permanent magnet synchronous electric motor	Permanent magnet synchronous electric motor
Maximum power (kW (PS) / rpm) ¹	170 (231) / 5300-7000	170 (231) / 5300-7000	240 (326) / 5300-7000
Maximum torque (Nm / rpm)	310 / 0-5000	310 / 0-5000	545 / 0-5000
Fuel supply system	Li-ion battery	Li-ion battery	Li-ion battery
Fuel type	Electric	Electric	Electric
Emission control	RDE 2	RDE 2	RDE 2

1. The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS by 1.0139.

TRANSMISSION AND PERFORMANCE

	59 kWh 230PS (V1, V2, V3)	77 kWh 230PS (V3)	79 kWh 326PS (VZ)
Gearbox type	EQ310-1P	EQ310-1P	EQ550-1P
Maximum power (kW/PS) ¹	170 (231)	170 (231)	240 (326)
Maximum speed (km/h)	160	160	200
Maximum speed (mph) ²	99	99	124
Acceleration 0-62mph (s) (0-100 km/h (s))	6.7	7.1	5.6

1. The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower).
To convert from metric to imperial horsepower, divide the PS by 1.0139.
2. Where law permits.

BATTERY

	59 kWh 230PS (V1, V2, V3)	77 kWh 230PS (V3)	79 kWh 326PS (VZ)
Battery type	Li-ion	Li-ion	Li-ion
Battery voltage (v)	270-459	240-408	240-408
Battery capacity (net / gross) (kw/h)	59 / 63	77 / 82	79 / 84

ELECTRIC CONSUMPTION³ (WLTP)

	59 kWh 230PS (V1, V2, V3)	77 kWh 230PS (V3)	79 kWh 326PS (VZ)
Electric consumption combined WLTP (kWh/100km)	15.6-18.2	15.7-17.9	14.7-17.3
Electric range WLTP (km)	428-365	560-487	599-508
Electric range WLTP (miles)	265.9-226.8	348.0-302.6	372.2-315.7
System			
Max power (kW/PS)	170 (231)	170 (231)	240 (326)
Max torque (Nm)	310	310	545

³ Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 27/02/2024. For full details on fuel consumption, CO₂ figures and VED bands (Vehicle Excise Duty) please see page 32. Figures quoted are for a range of configurations and are subject to change due to ongoing approvals/changes.

CHASSIS AND BRAKING SYSTEM

YOUR TYRE LABEL

They may not be the first part of your CUPRA you notice, but your tyres play a vital role in keeping you on the road. Your EU tyre label tells you everything you need to know. Due to the variation of tyres that may be fitted during production, the configurator will show multiple tyre labels. It is not possible to select a specific tyre when ordering a vehicle.

You'll see more in-depth information on your tyres while configuring your car. Click [here](#) to start building your CUPRA now.

ENERGY EFFICIENCY

This is a measure of 'rolling resistance' – in other words, the amount of energy lost through motion. The lower the rolling resistance, the lower your energy consumption, with tyres rated as class A being the most efficient.

WET GRIP

Rigorous testing ensures your tyres give great handling and performance in all conditions. Wet grip specifically measures how well you can brake in wet conditions, with grade A giving the shortest stopping distance.

EXTERNAL NOISE

Tyres are carefully measured so you know exactly how much noise they'll make while driving. If decibels don't mean a lot to you, don't worry. Each tyre also falls into a noise class-A being the quietest and C the loudest.

WARRANTIES

FIVE-YEAR MANUFACTURER WARRANTY

All new CUPRA's ordered on or after 03/04/2024 in the UK, come with a five-year/90,000 mile warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage, plus a further three years up to a maximum of 90,000 miles (whichever is soonest).

BATTERY WARRANTY

The batteries for battery electric vehicles (BEVs) are warranted against all defects in materials and workmanship for eight years or up to 100,000 miles, whichever comes first.

A gradual reduction in battery energy content over time is a normal feature of high voltage battery and does not constitute a warrantable defect. For BEVs, the battery energy content degradation warranty lasts for eight years or up to 100,000 miles, whichever comes first. Where the battery energy content of the high voltage battery is measured by a CUPRA authorised repairer and is found to be less than 70% during the warranty period, then it will be repaired or replaced under warranty subject to conditions. For full details, please go to the CUPRA UK website.

THREE-YEAR PAINT WARRANTY

The paintwork of all models featured in this price list is covered against manufacturing defects for a period of three years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised CUPRA Retailer or repairer for full warranty details.

TWELVE-YEAR BODY PROTECTION WARRANTY

The internal body sections and panels of the models featured in this price list are covered against corrosion originating from internal cavities for twelve years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised CUPRA Retailer or repairer for full warranty details.

CUPRA PARTS WARRANTY

CUPRA parts and accessories supplied after new vehicle delivery are covered by our 24 month parts warranty.

CUPRA ROADSIDE ASSISTANCE (INCLUDING EUROPEAN COVER)

Any new CUPRA purchased and registered in the UK from an authorised CUPRA Retailer, is covered free by CUPRA Assistance (including European cover) for roadside repairs or recovery to an authorised repairer for a term of one year. Terms and conditions apply.

SPECIFICATIONS

Specifications refer to Model Year 2025. While CUPRA makes every effort to make sure that specifications are accurate at time of going to press (02/2025), you should always check details with your CUPRA Retailer as there may have been changes in view of CUPRA's policy of continuous product improvement. The right is reserved to change specification and colour at any time. The information in this price list can therefore be given as guidance only.

CUPRA is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. The information in this brochure can therefore be given as guidance only. While CUPRA makes every effort to ensure that specifications are accurate at the time of publication, you should always check with your authorised CUPRA Retailer for the latest information. Due to limitations of the printing process, the colours reproduced in this brochure may vary slightly from the actual paint colour and material. This vehicle and all its parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality.
