# E-HYBRID BENEFITS

## **FREEDOM TO MOVE**

An all electric range of up to 76 miles allows for emission-free urban driving.

## **LOWER TAXATION**

Terramar e-HYBRID have a 5% Benefit in Kind (BiK) taxation and lower Road Fund Licence (RFL) than their equivalent combustion engine counterparts.

## **EFFICIENT AND CONNECTED CHARGING SOLUTIONS**

Charge with either a DC fast-charger or at home with an AC wallbox. Being able to charge from 10-80% on a 50Kw fast charger in 26 minutes whilst also monitoring activity via your smartphone with CUPRA CONNECT.

Terramar e-HYBRID comes with a MODE 2 (3-pin) and a MODE 3 (charging station) cable as standard.

## **GO FURTHER FOR LESS**

e-HYBRID can achieve up to 706\* miles per gallon making them more fuel efficient than pure combustion engines.

## **BEST OF BOTH WORLDS**

Choose from either our 204PS or 272PS e-HYBRID powertrains.

Drive in three modes: All electric; pure TSI engine; or a combination of the two.

\*WLTP combined MPG.

\*BiK value is based on WLTP CO<sub>2</sub>'s and applicable from 27/11/2024.

The Recommended 'On The Road' price includes delivery charge to Retailer and number plates, one year's Road Fund Licence at the 1st year rate (£0 – £2,745 depending on the CO<sub>2</sub> output of the vehicle), and the new vehicle registration fee (£55). VAT is calculated at 20.0%. CUPRA may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen CUPRA Retailer. Figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 27/11/2024. Figures quoted are for a range of configurations and are subject to change due to ongoing approvals/changes.

# CUPRA CONNECT

Get the most out of your new CUPRA by downloading the MyCUPRA app. CUPRA CONNECT's innovative services and functions connect you with your CUPRA and the world. The app lets you connect your phone to your CUPRA and allows you to seamlessly access crucial driving data and information about your vehicle. For instance, you can check if all your car's doors are locked from wherever you are, or you can see where exactly you've parked your CUPRA.

CUPRA CONNECT offers a wide range of safety and comfort functionalities that enhance your experience in and out of your CUPRA. The standard CUPRA CONNECT services are available free for 10 years to all CUPRA owners, whilst Connect Plus can be accessed via a free trial for an initial 3 years. Both services can be renewed after their respective trial periods.

The CONNECT services can be operated only by using available public communication technologies. Please note that due to the development of these technologies, especially mobile networks, we cannot guarantee consistent availability in all countries for the duration of Connect services. Possible changes in technology may cause permanent unavailability of them.

Please note: The availability of CUPRA CONNECT services may vary depending on your vehicle and vehicle equipment.

## CUPRA CONNECT

FREE FOR 10 YEARS

Standard CUPRA CONNECT enables access to multiple features and benefits including:

### VEHICLE STATUS

- Driving Data
- Vehicle Health Report

### COMFORT

- Parking Position
- Personalisation

### REMOTE AND CONTROL

- Horn and Turn Signals
- Anti-theft Alert
- Remote Lock and Unlock
- Remote Auxiliary Heater

### STREAMING

- Internet Radio

### SAFE AND SECURE

- Service Scheduling
- Customer Care
- Breakdown Call

### NAVIGATION

- Online POI Search
- Online Destination Import
- Online Route Impact
- Online Maps Update

## CUPRA CONNECT PLUS

3 YEARS FREE TRIAL

- Online Traffic Information
- Local Hazard Information
- Online Route Calculation

- Dynamic POIs (Petrol + Charging + Parking Information)

# WARRANTIES

## 5-YEAR MANUFACTURER WARRANTY

All new CUPRAs ordered on or after 03/04/2024 in the UK, come with a 5-year/90,000 mile warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a 2-year manufacturer's warranty with unlimited mileage, plus a further 3 years up to a maximum of 90,000 miles (whichever is soonest).

## 3-YEAR PAINT WARRANTY

The paintwork of all models featured in this price list is covered against manufacturing defects for a period of three years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised CUPRA Retailer or repairer for full warranty details.

## 12-YEAR BODY PROTECTION WARRANTY

The internal body sections and panels of the models featured in this price list are covered against corrosion originating from internal cavities for 12 years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised CUPRA Retailer or repairer for full warranty details.

## CUPRA PARTS WARRANTY

CUPRA parts and accessories supplied after new vehicle delivery are covered by our 24 month parts warranty.

# CUPRA CARE PLAN

DESIGNED TO LOOK AFTER YOUR CUPRA AND YOU.

DRIVE THE DIFFERENCE.  
SERVICING AND MAINTENANCE FOR CUPRAS UP TO 12 MONTHS OLD.

Take caring for your CUPRA to the next level with a plan designed to suit a car as unique as yours.

With three levels of care, you can choose the package that suits your individual needs. A CUPRA Care Plan\* makes sure your car is always operating at peak performance because we only use CUPRA Genuine Parts, fitted by our trained CUPRA Specialists.

The great thing about a CUPRA Care Plan is no matter what level of care you choose, you'll receive:

- Complimentary collection and delivery\*\*
- CUPRA courtesy clean
- A video of your CUPRA service
- A minimum of 10% off merchandise

And by spreading the cost into manageable monthly payments, starting from just £4.13 a month (on plans activated within 90 days of new car registration), you can make caring for your CUPRA that bit easier.

\*Available for CUPRA vehicles up to 12 months old only. Price valid until 31/12/2024. Battery electric vehicles excluded. T&Cs apply. Servicing must be carried out in line with the requirement of the service schedule. Offer excludes vehicles with performance brakes with front Brembo calipers. All work must be carried out at an authorised CUPRA Retailer. Excludes additional remedial work outside of the plan inclusions. Offer may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by SEAT Financial Services.

\*\*Collection & delivery subject to Retailer availability. Drop off and collection, loan car or courtesy lift may also be offered as an alternative to help keep you moving.

# LEVELS OF COVER

Choose the package right for you. Spread the cost or pay upfront\*.

## LEVEL 1

### Your first two services:

- + 1 pollen filter replacement
- + 10% off all merchandise

£4.13 a month over 24 monthly payments, for cars aged 0 to 90 days.

£19.75 a month over 24 monthly payments, for cars aged 90 days to 12 months.

## LEVEL 2

### Your first two services:

- + 1 pollen filter replacement
- + 1 set of front wiper blades
- + 1 set of front brake pads
- + 15% off all merchandise

£16.63 a month over 24 monthly payments, for cars aged 0 to 90 days.

## LEVEL 3

### Your first three services:

- + 1 pollen filter replacement
- + 1 set of front wiper blades
- + 1 set of front brake pads
- + 1 set of spark plugs (if required)
- + 1 brake fluid change
- + Your first MOT
- + 20% off all merchandise

£22.19 a month over 36 monthly payments, for cars aged 0 to 90 days.

Enjoy the peace of mind that your CUPRA is being taken care of with a package that suits you.

Buy a CUPRA Care Plan today. **Contact your nearest Retailer** to purchase.

\*Upfront offer pricing for level 1 is £99.00, level 2 £399.00, level 3 £799.00 and standard upfront pricing for level 1 is £474.00.

# VEHICLE EXCISE DUTY

All new vehicles are subject to a form of Vehicle Excise Duty (VED) based on the type of fuel the vehicle uses and its carbon dioxide (CO<sub>2</sub>) emission level, measured in grams per kilometre (g/km). The table illustrates the duty you will pay based on the DVLA bandings.

The standard rate for petrol and diesel is £190 and £180 for Alternative Fuel Vehicles. Please be aware vehicles priced in excess of £40,000 (when combining the MDP (Manufacturer's Direct Price) (incl. VAT) and any additional options you select) will incur an additional £410 a year in vehicle tax for petrol and diesel cars, and £410 for Alternative Fuel Cars.

For full details please refer to [gov.uk/vehicle-tax-rate-tables](https://gov.uk/vehicle-tax-rate-tables)

## 12-MONTH ROAD FUND LICENCE (RFL) RATE FOR PETROL, DIESEL AND ALTERNATIVE FUEL VEHICLES

CO <sub>2</sub> g/km	1ST YEAR RATE PETROL/DIESEL	1ST YEAR RATE ALTERNATIVE FUEL VEHICLES (AFVs)
0	£0	£0
1	£10	£0
51	£30	£20

# BENEFIT IN KIND TAX

## HOW TO CALCULATE YOUR LIABILITY

The BiK percentage value is based on the CO<sub>2</sub> emissions of the vehicle for the current tax year 2024/25.

Model shown: CUPRA Terramar America's CUP Edition in Enceladus Grey Matte

### BIK CALCULATION EXAMPLE: CUPRA TERRAMAR V1 1.5 ECOTSI DSG-AUTO 150PS

P11D value (Manufacturer's Direct Price price less RFL and first registration fee)	£37,290.00
WLTP CO <sub>2</sub> emissions (g/km)	139
Company car BiK tax based on CO <sub>2</sub> emission level	32%
Taxable BiK (for 2024/25 tax year): 35% of £35,965.00	£13,051.50

### ANNUAL COMPANY CAR TAX 2024/25 (@20% INCOME TAX)

20% of £13,051.50	£ 2,610.30 per annum
-------------------	----------------------

### MONTHLY COMPANY CAR TAX 2024/25 (@20% INCOME TAX)

£ 2,610.30 divided by 12	£217.52 per month
--------------------------	-------------------

# YOUR TYRE LABEL

They may not be the first part of your CUPRA you notice, but your tyres play a vital role in keeping you on the road. Your EU tyre label tells you everything you need to know. Due to the variation of tyres that may be fitted during production, the configurator will show multiple tyre labels. It is not possible to select a specific tyre when ordering a vehicle.

You'll see more in-depth information on your tyres while configuring your car. Click [here](#) to start building your CUPRA now.

## ENERGY EFFICIENCY

This is a measure of 'rolling resistance' – in other words, the amount of energy lost through motion. The lower the rolling resistance, the lower your energy consumption, with tyres rated as class A being the most efficient.

## WET GRIP

Rigorous testing ensures your tyres give great handling and performance in all conditions. Wet grip specifically measures how well you can brake in wet conditions, with grade A giving the shortest stopping distance.

## EXTERNAL NOISE

Tyres are carefully measured so you know exactly how much noise they'll make while driving. If decibels don't mean a lot to you, don't worry. Each tyre also falls into a noise class-A being the quietest and C the loudest.

CUPRA is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. The information in this brochure can therefore be given as guidance only. While CUPRA makes every effort to ensure that specifications are accurate at the time of publication, you should always check with your authorised CUPRA Retailer for the latest information. Due to limitations of the printing process, the colours reproduced in this brochure may vary slightly from the actual paint colour and material. This vehicle and all its parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality.
